Learning and Teaching Gifted Education

VISION

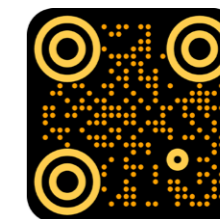

We believe that every single student has their own potential. Our school places emphasis on gifted education. Elements of gifted education, including high-order thinking skills, creativity and interpersonal skills, are included in our formal curriculum. Besides, a variety of extra-curricular activities and training courses are offered to create an ideal learning environment, thus realizing the full potential of our students.

STUDENT SUPPORT & DEVELOPMENT 學生培育及發展

VISION 願景

In the spirit of 'to be a servant, but not to have servants', our school strives to nurture students as 'servant leaders'. The establishment of our six student organizations enables students to organize a host of activities and develop themselves under our teachers' guidance. They help to build our campus with a supportive culture, which cultivates the moral values of our students and leads a fruitful life.

本校秉承基督「非以役人，乃役於人」的精神，竭力培育學生成為「僕人領袖」，並為此特設六大學生組織，讓學生在教師團隊引領下策劃各項活動，各展所長；攜手建立關愛共融的校風，讓學生建立高尚的品格，獲得豐盛的人生，發光發亮。

Christian Fellowship 基督徒團契

Our school places great emphasis on the spiritual growth of students and helps students establish solid values based on Bible teachings, through which they are expected to experience a blessed life.

本校著重學生靈育成長，以聖經真理建立夯實的價值觀，經歷蒙福的人生。
